

BOND MBA ALUMNUS BECOMES VICE-PRESIDENT FOR SAMSUNG

Jungoo Lee

Vice-President - Samsung Techwin, Seoul, Korea

“Bond University gave me many great friends, new career opportunities, my first overseas living experience, English language skills and so much more. Most of all it opened my mind to different viewpoints and the experience of working as part of a multi-cultural team. My Australian connections continue to help me throughout my career - I will be a “mate” for the rest of my life.”
